

Consent for Video Surveillance for Children

Noah's Ark Childcare and Nursery would like for Parents to be aware of Video Surveillance Cameras which are placed in the classrooms, hallways and in and around the building inside and out.

- The cameras are for Security purposes **ONLY**.
- They are not for Parents to observe their children throughout the day
- They are not for the Supervisor, Director or other Board Members to observe the staff.
- Footage will not be shared with Parents should they request it.
- Footage will only be shared with authorities such as the Police, Fire or Children's Aid Society to aid them in any investigation.

Parents are required to sign this consent for their child to be under Video Surveillance while on the premises of Noah's Ark Childcare and Nursery, with the understanding of the above policy.
